Notes to editors

Uranium Resources plc is an AIM listed exploration and development company. It is the Company's strategy to advance its existing assets and strengthen its portfolio via opportunistic acquisition. Uranium Resources has uranium licences in the highly prospective Karoo Basin in Southern Tanzania where it currently has a land package in excess of 12,700 sq. km. Additionally it has a JV agreement with Rio Tinto Resources to develop the coal potential of 2,938 sq. km of the Company's exploration licence areas in southern Tanzania.
